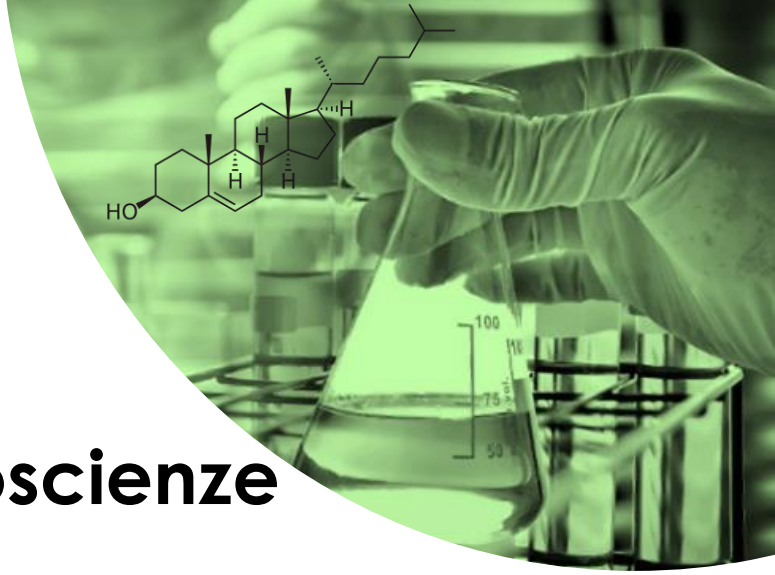
Lunedì 22 Maggio 2023 ore 15:30



Aula 5 plesso Bioscienze (fisiologia)

From genetics to machine learning to develop personalised type 2 diabetes treatments

Elisa Araldi, Ph.D.

Elisa Araldi is currently Junior Professor of Computational Systems Medicine at the University Medical Center of the Johannes Gutenberg University in Mainz.
She will join the University of Parma in July 2023 to start her laboratory funded by the Human Technopole Early Career Fellowship.
The aim of the laboratory is to study cholesterol synthesis intermediates in physiology and disease, with the use of experimental and computational approaches.

Seminari di orientamento rivolti a studenti e laureati della Laurea Magistrale in Biotecnologie Genomiche, Molecolari e Industriali

Dipartimento di Scienze Chimiche, della Vita e della Sostenibilità Ambientale
