INSTRUMENT WARRANTY

Bio-Rad Laboratories warrants that every instrument it sells will be free from defects in materials and workmanship when it leaves the factory and that, if such defects appear within the first year following purchase, the defective part(s) will be replaced or the entire unit will be repaired, at Bio-Rad's option, free of any charges to the buyer other than expenses incurred in returning the unit to the factory. Bio-Rad's obligation under this warranty is specifically limited to the aforementioned replacement or repairs.

"The foregoing obligations are in lieu of all other obligations and liabilities including negligence and all warranties, of merchantability, fitness for a particular purpose or otherwise, expressed or implied in fact or by law, and state Bio-Rad's entire and exclusive liability and Buyer's exclusive remedy for any claims or damages in connection with the furnishing of goods or parts, their design, suitability for use, installation or operation. Bio-Rad will in no event be liable for any special, incidental or consequential damages whatsoever, and Bio-Rad's liability under no circumstances will exceed the contract price for the goods for which liability is claimed."

Under this warranty Bio-Rad's obligation with respect to transportation expenses is limited to the cost of shipping the repaired or replacement instrument to the buyer, provided that such repair or replacement comes within the terms of this warranty.

The above warranty extends only to the original buyer who has filled out and returned the warranty card below.

PLEASE KEEP THIS PORTION OF THE WARRANTY CARD WITH THE INSTRUMENT FOR FUTURE USE.
