BECKMAN

Certificate of Compliance

It is hereby certified that the following Spectrophotometer system

DU Series 500 Spectrophotometer

was designed, verified, validated, manufactured, inspected and tested to specified quality requirements in accordance with the following and, to the best of our knowledge, conforms to published specifications.

1. ISO Certified Quality Management System.
2. Test equipment used for the verification of this instrument is calibrated using standards traceable to National Institute of Standards and Technology (NIST) standards. Where such standards do not exist, the basis for calibration is documented.
3. NRTL (nationally recognized testing laboratory) listed for the USA and Canada.
4. CE self certified for Europe to applicable Safety and EMC standards.
